QUESTIONS

- What causes you to take growth into your own hands?
Impatience Fear of others?
- How are you contributing to God's transforming work
in your life?

CHALLENGES

- Each day reflect on one of the 4 truths about god that help us to relinquish control to God:
 - God is GREAT, GLORIOUS, GOOD, GRACIOUS
- Tell someone in your thrive group, an area in for life that God is challenging you about, and ask them the same thing.
- At some point this week, take some time to think about where God is challenging you to change and what you can do to reach as God lifts you up.
