Mike McKinley

- **Think...**

- Have I joined a Thrive Group yet? What am I waiting for?
- If you have reservations about joining a group, what are they? What is causing me to feel like this?

- **Pray...**

- about which group I should join
- about your reservations, and if it's fear of others, then pray for boldness.

- **Act...**

- Sign up for a group by the close of play next Sunday
- Be willing to be vulnerable with someone in your Thrive group, encourage them to be the same and commit to pray for each other for the next week.
