CHURCH WEEKEND AWAY 2020 - January update

They devoted themselves.....

It's always good to have something to look forward to isn't it? Especially when so much fun will be had!

Friends together, a family together, a celebration, fun, finding truths, encouraging, inspiring, caring, supporting, welcoming, worshipping together, this is a snapshot of what we will be experiencing on the weekend of 11th -13th of September 2020 (Friday evening through to Sunday afternoon).

We invite you all to join us for our centenary year church weekend away at Lendrick Muir near Kinross in Scotland.
www.lendrickmuir.org.uk

With up to 115 spaces available, we'd love to have as many as possible of our Hebron Church family and friends join us for what we trust will be a significant weekend.

There is a lot still to plan, organise and work out, but firstly we would invite you to register your interest with the attached form.

Costs

Our basic cost for the weekend covers accommodation and food. This is set at:

Adults (12 years and over) on 11/09/2020	£85 plus a <i>discretionary supplement of £20 where this is affordable</i> (see below)
Children (age 2 to 11) On 11/09/2020	£70
Infants (under 2) On 11/09/2020	No charge

We are proposing that other costs e.g. speaker and other charges are covered by a suggested *supplement of £20 per adult place where this is affordable*. We don't want the cost to preclude your attendance, so if you would like to attend please chat to us if you find the cost difficult to meet.

To secure your places, **please return the form with a £25 deposit for each paying place to Rob Scott- Buccleuch (finance@hebronec.co.uk) by the end of February 2020.**
